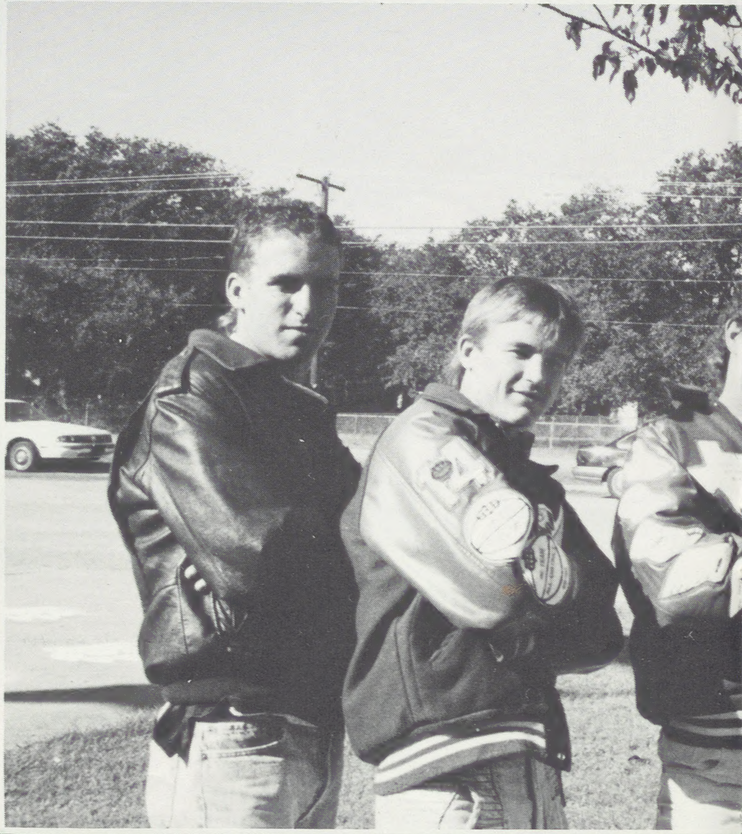
STUDENT LIFE

Although it took awhile to get Chris posed for this picture, we finally found his best side.

NAMES NAMES NA

Are Christy and Candy doing a rain dance, or did they just leave the cafeteria?

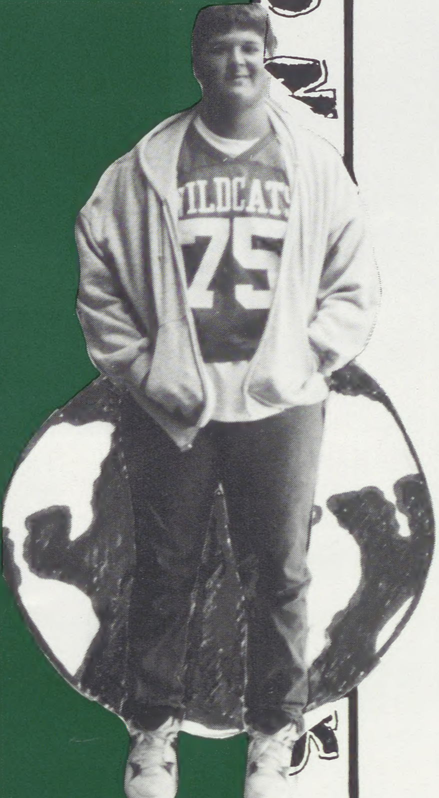


What's in a Name?

NICKNAMES AROUND KHS

Kristina, those puppy eyes may work on your mom, but they won't fool us. We all know you're a true beast at heart.

Most people have had a nickname at one point in time; but how do some of the students at KHS end up with such unusual handles? For example, what were the circumstances that turned Christy Goss and Candy Jones into Beula and Bertha? Chris Wright was given the name Grizzly, for ''cracking'' up, when he was a sophomore. Josh Lasater's nickname (Earth) makes opposing football teams scatter. What about those senior guys: King-Z, EZY, Ecto, Freeway, Dré, and Ice-T? Maybe they could become the hottest group since New Kids On The Block! (PLEASE, NO!) One doesn't have to explain the nickname Beasty Brown; I guess it could be said that Kristina goes for it! Maybe they'll never be able to shake those names from their past, or future, but they'll always remember them . . . those nicknames from K-Town.



Josh Lasater looks so happy; you would think he was on top of the world.

I taut I saw some wildcats . . . I did! I did! It's Aaron, Zack, Chris, and Andy.

Homecoming balloons filled the school with spirit for the pep rally and the game.

Homecoming

How Could We Forget?

This year's homecoming activities were just like all the years before. All of the parents, friends, and student body were awaiting the crowning of the Homecoming Queen for 1990. The three nominees for the year were Jimmye Wells, Nina Perkins, and Kristina Brown. They were all beautiful as they were escorted onto the field by their fathers. By the roar of the crowd, we could tell it was an unanimous decision when it was announced that Kristina Brown was our Homecoming Queen for 1990.

Homecoming Queen for 1989 Suzanne Cooper graciously crowned Kristina Brown as tears streamed both of their faces. As for Bridgeport, they were undefeated before they faced the Wildcats. The Wildcats dominated the Bulls, play by play, with the defense holding the Bulls to only six points. The explosive offense of the Wildcats scored an outstanding 48 points. The graduates from years past came to cheer the Wildcats on while remembering their high school days. The 1990 Homecoming night was very special for the Wildcats and everyone who was there to share in this exciting event. This is truly a night we will never forget.

Susan, Heather and Cindy showing off their mums. We can tell these mums made their guy's wallets pretty thin.

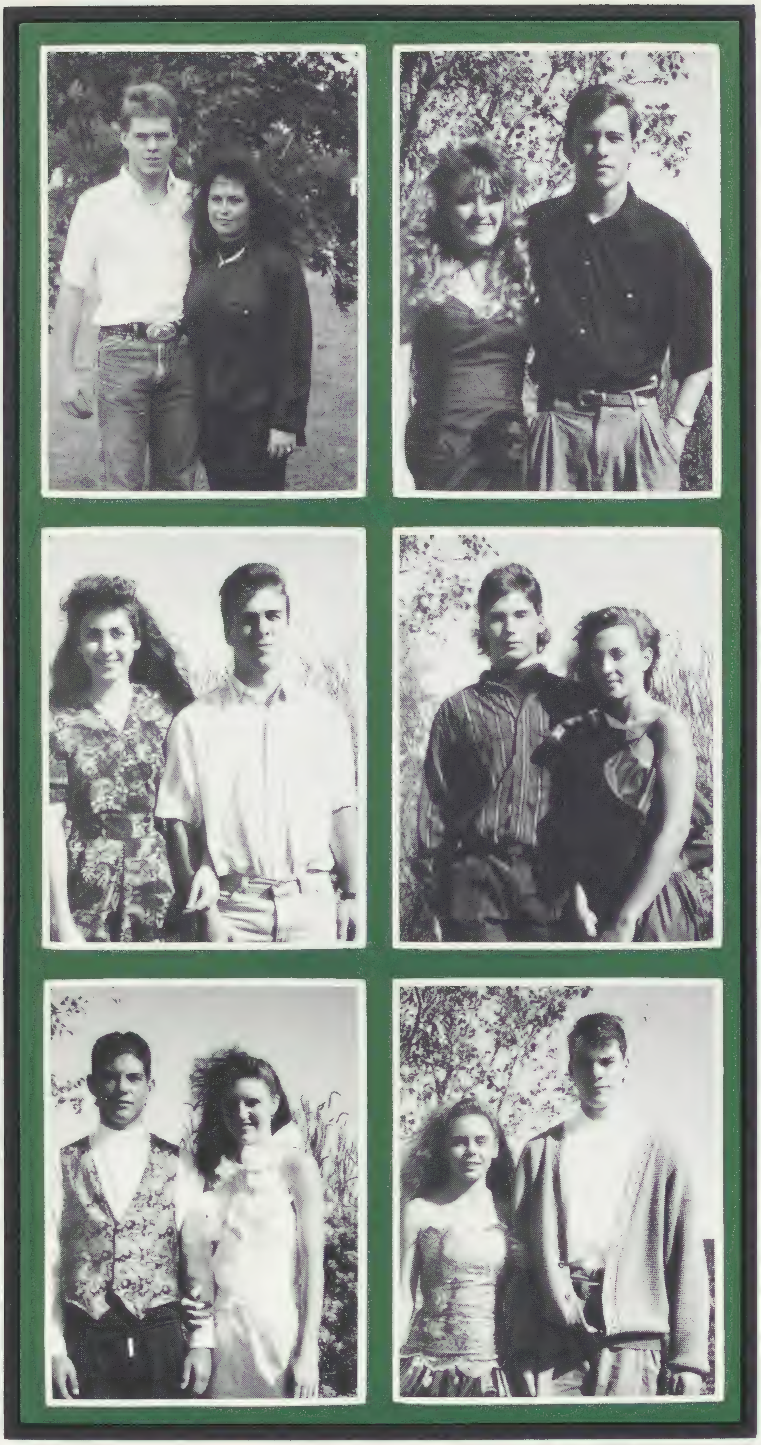
Homecoming Court



The Homecoming Court of 1990 consisted of (starting at top): Seniors Jimmye Wells and Ken Liner; Kristina Brown and Brian McKeown; Nina Perkins and James Thompson. The Juniors were represented by Courtney Barnes and Kris Rizzo, the Sophomores by Shandra Brown and Brian Yokeley, and the Freshmen by Kim Welch and Tate Sellars.

The Senior float wasn't very creative but A.J. Moseley summed it up by saying, "It was stylin'."

The Sophomores with their "Bail the Bulls" float are really driving four huge cigars down Mansfield Highway.

Pep Rallies

Seniors Brandy and Melissa express their spirit during a Pep Rally, or is this the latest dance craze?

Juniors, Kelly, Kim and Cherlyn jam to the band song.

Webster defines "Pep" as energized high spirit, a "Rally" as the coming together for a common purpose, and "Spirit" as enthusiastic loyalty. When combined, a "Pep Rally" is an event to raise the "Spirit" of KHS to great heights. When asked what pep rally was enjoyed most, Junior Melissa Glass said, "I loved the pep rally when Coach Free ate the worm- true spirit!" "Which was the most memorable pep rally and why?" Senior Debra Uselton answered, "The Memories Pep Rally will always stand out in my memory. It made me realize all the things that I am leaving behind as a graduate." Australian exchange student, Natalia Evans, then answered, "The first was my most memorable pep rally, but I thought it was strange. Then, I realized how much spirit Americans have in their school." Well, the question is, "Why All That Spirit?" In answer, Senior Kim Raines replied, "Spirit is important because it motivates and supports the team."

Why All That Spirit?

There is the sound of silence as Mrs. Johnston presents her role model speech . . . something unusual for the gym during a pep rally.

The "Man" makes a pep rally zing with spirit. Coach Yokeley has the words to motiveate the Wildcats and fill us with pride.

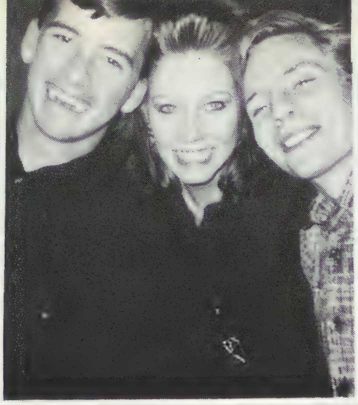
Although these guys may not have made our fashion spread, they definitely have style . . . and nice legs.

KHS

WHERE EVERYBODY IS SOMEBODY.

There's no hard feelings here. All the contestants congratulate "Miss" Ralf Brooks who was crowned as the Sadie Hawkins Queen for 1991.



There's nothing like spending the weekend with two of your best buddies!

Friends Forever! Brian McKeown, Melissa Miller and Doyal Gilbert enjoy going out to the movies on the weekends.

Where Do We Go Now?

What are weekends anyway? Most KHS students would agree that a weekend is nothing more than a wild search for fun. Searching everywhere from AMC, Taco Bell, or the lake, students are seldom satisfied unless they can find a party. KHS students and faculty were asked what their idea of a fun weekend was (with the exception of parties). Here is their response . . .

Zack Jensen (12) "I like to do my *Bible* study!"

Candy Jones (10) "I enjoy spending time with my friends."

Becky Jordan (11) "I like to take long walks in the park to think things through."

Jason Davis (12) "Take a date out to the movie."

Charles Rutledge (10) "I like to go to the mall and check out all the women."

Scott Richey (12) "I enjoy going to my mother's house to visit."

Mr. Farmer "I like to take a date to the movies or dancing."

Mrs. Worley "I love to work in the yard."

Mrs. Scarborough "I enjoy Western dancing and playing with my grandchildren."

Even though we may all have a different idea on what a weekend is, the concept is always the same: We all want to have fun and enjoy our little two-day vacations!

How Do You Celebrate Your Birthday?

People have many ways of celebrating birthdays. Birthdays are a time when people have fun as well as getting a year older. Sweet Sixteen birthdays are extra special because it represents a coming of age. Christy Coleman experienced this moment this year with many of her friends. Her memories of the celebration lead her to conclude, "My party was a fun and exciting occasion that I will never forget."

Other than the planned, traditional style birthday party, there is the "Surprise" party! Stephanie Buyers was given an unexpected birthday party by her teammates and friends. "I was surprised. I thought it was very sweet of all my friends for the cake and party. I actually thought everyone had forgotten about my birthday," said Stephanie as she enjoyed her cake.

No matter how you celebrate your B-day, each one is a special occasion which will leave lasting memories.

SAY WHAT?!

As always, teenagers have a unique way of expressing themsevles. It's as if they speak a foreign language not understood by parents and other adults. An interesting blend of students can inspire a whole new language. Each school is different. Virtually no two schools have the same kind of slang. For future reference, the dictionary printed below will familiarize the KHS body with the interesting blend of lingo found in the halls of Wildcat country.

Banking - Having lots of money.
Bitter - Having an attitude
Def - To really like something.
Dope - Real good music.
Got it going on - To be good looking.
Groupie - A fat person.
Hold D - Hold on
Hommie - Friend
Hoopty - Very ugly car.
Jet - Let's go.
Jock'n - To imitate someone
La'jit - Looking good.
Salty - Looks or sounds good.
Scope - To watch something.
To the curb - To be ugly.

IS KHS IN STYLE? FASHION THIS YEAR

FASHION! It is the excitement of teenagers throughout the ages. It is an expression of ones mood, imagination, and ones life theme. Each decade, and each year within, is characterized by a certain "Fashion Era" - the '60's being the "Hippie Age," for example. Fashion is brought out and determined by many experiences. World affairs, one's attitude towards them, and the year will make the statement. Watching Operation Desert Storm take place each day for several months has brought back a spark of the "Peace Era" in support of our troops. Although the glamour of this era is in the air, the wearing of red, white, and blue, creatively designed, has become popular. Many cool fashions have come out of our "Good 'Ole Flag." So check them out!

Been Here Long?

Teachers at KHS are striving to build a strong educational foundation for their students. This year the faculty has been divided into two groups: The ones who had been here for a few years and all the new ones who had just arrived. The teachers who had been here for a couple of years had already been doing a great job with the students. However, the new members of the faculty jumped right in to also do a great job. In addition to hours spent in the classroom (some teachers have as many as 5 preparations), working on budgets, UIL, grading papers, coaching, and attending committee meetings, some teachers can also be found tutoring students who are having problems in the classroom. Students enjoy teachers more when they can talk to them as a friend and not always as a student. The faculty does a great job here at KHS. We are a lucky student body.

Where Are They From?

From left to right: Adriano Freire, Natalia Evans, and Jose Llorca.

Jose Llorca will return to Spain a changed man.

Adriano at home on the range, and Natalia just hanging out. It is true that Natalia brought a year's supply of vegemite to put on her toast for breakfast? Is it also true that she has become a Taco Bell addict? Do they have tacos in the Land Down Under? We hope so.

This year at Kennedale we were fortunate to have three foreign exchange students. They were Natalia Evans from Melborne, Australia, Jose Llorca of Alicante, Spain, and Adriano "Kiko" Freire from Sao Paul, Brazil. The students became involved in many school activities. Jose took part in football, basketball, and baseball. The J.V. football team was very lucky to have him as their kicker. Natalia performed in two plays, "Rumors" and "Our Town." She also played J.V. Basketball. Although Kiko didn't participate in any school activities, his academics were well noticed. Kiko unfortunately didn't finish the year at Kennedale, but we will all miss him as much as we will miss Natalia and Jose.

Band students have nothing but praise for their new bandleader, Mr. Dannheim. Jason Conditt stated: "I hope that we can continue to have as good a year as this one. Mr. Dannheim has motivated all of us and really taught us a lot." Christa Butler added to Jason's compliments by saying, "He has made this year fun and exciting by taking us to contest in order for us to increase our potential." Band students agree that next year with Mr. Dannheim will be more successful than this year.

Kennedale Band....#1

Who Has All That Rhythm? The New KHS Band.

When most people think of band, they think of students running up and down the football field. This is not quite true for the KHS Band. Our band puts a lot of hard work and dedication into their music. They started practicing two weeks before the fall semester. Their practicing certainly makes our pep rallies sound better. The band makes halftime sound more exciting by playing a variety of music that consists of: "Wind Beneath my Wings," "Jiggalo," "Corrado," and other melodies. All these songs have found their way into the souls of many students. The KHS Band is definitely one way to boost school spirit.

The KHS Band consists of Lisa Nelson, Lisa Smith, Mark Baltierra, Matt Cashion, Jason Chatham, Jason Conditt, Mtzi Curry, Chad DeLoach, Melissa Glass, Tammie Hicks, Ruthann Jimenez, Rebecca Jordan, Kim Klein, Melissa Ortiz, Amy Pennington, Ann Stover, Jennifer Thomas, Michael Buchanan, Christa Butler, Clinton Duhon, Alfredo Gonzalez, Jeffery Hampton, JoBeth Jenkins, Kim Mincie, Amanda Norris, Wesley Phillips, Amber Rogers, William Sanders, Chris Stover, Misty Silvey, Jennifer Tipton, and Michelle Willis.

CHOIR AND PIZZAZZ

What's New This Year?

CARNEGIE HALL CARNEGIE HALL CARNEGIE HALL CARNEGIE HALL Got the message? This year the KHS Choir has had the honor of being invited to Carnegie Hall for a performance on May 12, 1991. Pizzazz, the jazz group, was also recognized for its talent. They went to a benefit in Houston on April 26 to raise money for homeless kids. The benefit was known as "Of America Singing." The Flag Corp began its first year performing at half-time during the football games. They sang and danced to pop music. Ms. Seelye was Director and Ms. Stevens was the Assistant Director. What Is It?

Fellowship Of Christian Athletes

This was the first year that the Fellowship of Christian Athletes has been on campus. The FCA is an organization that lets students be with friends and just have fun. This year the FCA has been quite busy. In the fall they held an elf auction wherein they sold students and teachers to the highest bidder. In December the FCA went to a nursing home and decorated it for Christmas. They also had a Christmas party at Kristi Patterson's house. In the spring, a basketball marathon was planned and they earned a large amount of money for their treasury. Sponsors Coach Burke and Dr. Ellsworth were pleased with the success of the new group.

Members of the FCA enjoyed barbecued ribs ala Coach Burke. Jason Morgan oversees the celebration.

Jose Llorca drives part Alvaro Garcia in the FCA-sponsored basketball game.

WHO PUTS IT TOGETHER?

Members of *The Wildcat Track* are hard-working group. A main objective is to put together a school annual with an eye-catching theme. To do this, they design an annual with photographs, copy, and events so that all students can review the school year and remember it as a special time. The staff must write copy, take pictures, and attempt to gather accurate news from the entire KHS community. Most importantly, they must be able to work with that eight-word monster - DEADLINE. Sponsor is Mrs. Jean Harper.

The KHS journalism staff is responsible for keeping the campus informed on more current happenings. *The Wildcat Tale* puts together info on events of interest to all students and faculty. An important objective of the staff is to learn how to put together a newspaper, how to write an effective and attention-getting headline, and how to work as a team. Sponsor is Ms. MiLena Balthrop.

NHS And SADD

The National Honor Society is an organization where students are chosen by the faculty on the merit of grades, activities and citizenship. A highlight for the faculty is the October Teacher's Luncheon and the delicious loaf of break given to a teacher for Sweetest Day. Their special project is the Christmas Toy Drive. This year is involved 200 people with over 400 hours donated. Just before Christmas vacation, members boxed and wrapped gifts for the needy in the Kennedale area. Approximately 35 children received at least 2 new toys, some used toys, sports equipment, clothes and other holiday items. Other NHS projects included sending Valentines to the Veteran's Hospital, writing letters to the troops in the Persian Gulf and selling Desert Storm ribbons. We would all have to agree that the most rewarding project was that of making a video to send to the troops in which we expressed our thanks and appreciation for their sacrifice. One of the Desert Strom veterans, Sgt. Gil Johnston, visited our campus after returning from the conflict. The entire school turned out for a flag-waving day of patriotism when Ms. Horton presented a plaque of appreciation to him. Sponsor is Mrs. Ruth Worley.

SADD is recognized as the club with school spirit since winning first place in the Homecoming Parade for the Best School Spirit. Their spirit shows in other projects, also. This year they tied red ribbons to our antennas during Red Ribbon Week reminding everyone to be drug free. The SADD's Senior Reception is their gift to the seniors. It is held immediately after graduation for seniors, their guests and the KHS community. As usual, they did it again. Sponsor is Mrs. Mona Scarborough.

WHAT DID THEY DO?

Through ICT and CVAE classes, students learn to work with others and prepare themselves for the real world. At the beginning of the year, they put in a lot of extra time to help prepare for district and state competition. Throughout this year, they have held fund raisers to help pay for activities in the school and the community. The new sidewalk in front of the school and the new score table in the gym are just two of the contributions made by this group of hard-working students. We owe our thanks to Mr. Easley and the CCC organization.

Jerry Creach, Kendrick Williams, Jason Ledbetter, and Jason Morgen are hard at work preparing the new sidewalk in front of the school.

CCC-members are: Jason Morgen, Toby Poore, Joshua Toby Carter, Jerry Creach, Andrew Burton, Steve Helton, Jason Geer, Jules Partee, Kathy Nelson, Scott Richey, Chris Evans, David Guzman, and Chris Wright.

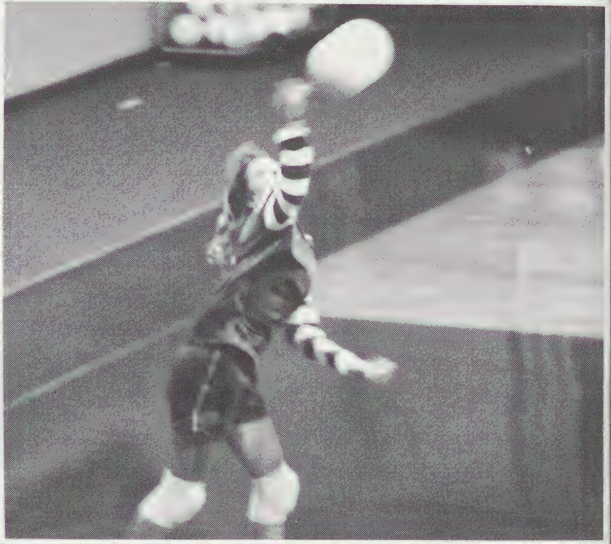
What is Varsity VOLLEYBALL?

Candy watches her ball as she serves in pre-season.

Brandy attempts an ace serve, hoping to narrow the score.

The Lady Cats went 5-5 in District and 9-12 overall this season. Cyndi Lopez, the team captain, felt that they gained a lot of insight as to what it takes to work as a team. Seniors Lalinda and Kim felt that the team did not do as well as they could have; however, they will always remember and cherish their memories of the last year they played. Even though her season was cut short, Chelsea replied, "For me, this year did not exactly start off the way I had hoped. I loved playing, and, after my accident, I saw the team from the outside. If I couldn't be there playing, I was always with them in spirit and in attitude, wishing them the best." On the brighter side, Kristina Brown said, "The team is like a family. We all feel the pain of losing and the joy of winning."



Far left: Brandy serves to warm in up in pre-game. Left: Wendy's bump leads to a perfect set-up. Below: Jamie's set motivates the team.

Kennedale Knows Football.
Any Questions?

The 1990 -'91 Varsity football team started the season in mid-August. The Wildcats were only two and one when they faced the undefeated Bridgeport Bulls for the Homecoming game. The under-dog Wildcats ran all over the Bulls winning 48 to 6. Kennedale started off district against Glen Rose, but lost by an upset score of 39 to 21.

The backs of the Wildcats were already against the wall when they faced the next team, which was the Whitney Wildcats The Varsity went on to win their next three games and gain a shot for the playoffs. KHS had only one game left: It was against the traditional rivals - the Alvarado Indians. Alvarado came out on top to upset the Wildcats' hopes for playoffs this year. Although the Wildcats had to face many disappointments, the season ended with a winning record.

"What's so interesting, Shandra?"

Darla Trevino sets the ball.

This year, the JV Volleyball Team was 11 and 7 for the season. Although it was Coach Lamberth's first year to coach volleyball, she did astonishingly well. Her coaching abilities showed when the team played ball. When asked how she felt about coaching she said, "Volleyball is different than basketball, but with the group of young ladies that I am honored to have on JV, it is fun!"

This year's JV roster included juniors; Angela Brewer, Kim Dietrick, Kristen Gery, Jeanette Pineda, and Kathy Nelson. Sophomores on the team were Shandra Brown, Kristi Patterson, Angela Richter, Darla Trevino, Susan Wilson, Melody Raines, and Wilona Lightfoot.

When asked what she liked most about the team, junior Angela Brewer answered, "I think the bench liked me the best, however, I liked the way we pulled through to become a winning team."

This year the Freshman Volleyball Team was very successful with a winning record of 14 and 3. Even though this year was Coach Leopold's first year to coach a sport, she has shown great promise for the years to come. When asked what she thought about coaching, Coach Leopold said, "I love teaching and coaching the students. They are really special!"

The freshman team consists of Amy Laferty, Tiffany Kay, Carol Wolfe, Jessica Winters, Patty Alvarado, Christa Butler, Bree-Ann McAdams, Leighana Morgan, Lisa Posten, Kandi Walther, and Christina Young.

J.V. FOOTBALL

Can They Do It Again Next Year?

Despite their small size, the Wildcat Junior Varsity managed to do quite well this year. They finished the season 7-3. When the Cats defeated Alvarado, they proved to themselves and everyone else that, with teamwork and determination, they could do anything. The J.V. consisted of around twenty players, but the Cats showed once again that size isn't everything. According to Coach Teague, "The J.V. Football Team went through many obstacles, such as a rash of injuries, players taken to Varsity, and a lack of size; yet they demonstrated the Wildcat ethic of a huge heart." Some of the Wildcats who did well enough to move up to Varsity included Brian Yokeley, Lee Roy Cotton, Josh Lasater, Tommy Richey, and Chris House. A new addition to the Wildcat Team was Jose Llorca, an exchange student from Spain. He has adapted well and has been a tremendous asset to the Wildcats! Good job guys!

Brian Yokeley shows the Wildcat speed and determination as outruns the defense.

There were twenty one players on the Freshman Wildcat foot-ball team and as Coaches York and Yokeley have often said: "You have to be a little crazy to give up half your summer, keep your grades up, and work as hard as these boys have." But all this hard work will pay off in years to come.

They ended the season with a 3-7 record. As coach Free stated: "The record wasn't an indication of the talent these boys have, they needed to work on being a team, rather than individuals seeking victory." The players have learned competition, fair play and discipline skills that will help them dominate in football next year. Some of the outstanding players included the following: Jim Wheeler, running-back; Shane Dunavin, quarter-back; Cary Goss, full-back; Brandon Uzzell, full-back; and Jason Rickard, wing-back. The entire team has done a great job and deserve recognition.

The Varsity Girls Cross-Country team had a year better than expected. This team was runner-up for district and qualified for regionals. This team consisted of Stephanie Buyers, LaLinda Lichnovsky, Valerie Monreal, Valerie Clinger, Cyndi Lopez, Heather Dunavin, and Brandi Jones. The JV team also made good progress. Both had a successful year. The Varsity Boys also had a good season. The boys have won district two years in a row. Toby Carter, a senior, said "Although we didn't achieve our main goal of going to state, it was great to see Zack qualify for state. We did achieve the goal of back-to-back-district champs." This hard working team consisted of Zack Jansen, Toby Carter, Doyal Gilbert, Joseph Armour, David Clinger, Jon Gery, and Billy Couch. All of the boys did a great job, especially Zack Jansen who qualified for state. Zack will be truly missed but will always be remembered for his achievements."

LADY KATS BASKETBALL '91
WASN'T IT ALL WORTH IT?

No, they were not superstars! However, the 11 young ladies that Coach Lamberth started her season with were ready, willing and able. The players gave it all they could in every game they played. Unfortunately, the effort needed was not obtained in every game. The season began slowly as the Ladycats suffered an upsetting defeat to Glen Rose, 25-80. The Kats got a great taste of victory when they edged Whitney, 73-37. The team knew their next game against West was going to be a challenge. Although the Kats lost 50-84, they still held their heads high. This determination led them to defeat Hillsboro that following Friday, 54-44. That next week the Ladycats went on a two-game losing streak. The first was to Alvarado, 39-63. The other defeat went to Glen Rose, 28-63. This was the start of the second round in district. It was not long until the Ladycats were lifted up again as they went on to beat Whitney in a rematch, 71-60. The long season ended with the Ladycats losing their last three games. The first loss went to West, 67-75. The next was Hillsboro, 41-44 and, finally, Alvarado, 39-66. The books show a 3 and 7 record for the 1990-'91 year. However, the books could not record all the talent that their team had put together.

The awards for MVP went to Brandy Mulford and Cyndi Lopez. Also, Cyndi Lopez won first team All-District honors. Second team All-District awards went to Brandy Mulford and Lalinda Lichnovsky. Courtney Barnes won honorable mention.

Is It The Shoes?

No Mars, It's The Kennedale Varsity

This year's Varsity basketball team has improved its record from last year. At the beginning of the season, things did not look very good as Springtown rolled all over the Varsity. However, as the season progressed, games were getting closer and the team was improving. Throughout the year, each member of the squad contributed his talents and began to work as a team. This year the Varsity level had the leadership of six Seniors to help pull out some victories. The most memorable game of the season and best victory was against Glen Rose. We closed out the year on a good note. This years most valuable players for the Kennedale Varsity basketball team are Chris Evans and Vinny Palermo, the first Co-MVP's since Mark Biondi and Larry Swiney in 1974. The 1991 Most Improved Player of the Wildcats was Junior Shane Elmore. Head Coach Jet Teague stated: "The '90-'91 Varsity Wildcats' record did not reflect the hardwork and dedication these young men put into the program. They were a pleasure to work with and they set the groundwork for the future Varsity basketball teams."

Who's Got The Ball?

This year the Junior Varsity Lady Cats gave new meaning to the words "determination" and "hard work." Under new guidance from Coach Leopold, the Lady Cats practiced hard and pounded through their pre-season games with an excellent record of four and five. The rest of the season wasn't as successful, but they ended up with an overall record of 7-12. The Freshmen Lady Cats also had a successful pre-season with a record of 3-2, but finished the season at 3-8. Coach Barnfield's freshmen girls worked hard and made a lot of progress this year. All the players have shown promise as future varsity stars. The J.V. players included Valerie Clinger, Kristen Gery, Karolyn Mires, Kim Dietrik, Natalia Evans, Stephanie Buyers, Willona Lightfoot, Angela Brewer, Heather Dunavin, and Valerie Monreal. The Freshmen players were Tiera Ford, Sherry Turek, Tiffany Wilson, Tiffany Kay, Lisa Poston, Christa Butler, Kristina Young, Amy Lafferty, Kim Welch, Jessica Winters, and Latoya Bell.

Basketball takes more than just ability; it takes the right kind of attitude. This was true for the 1990-'91 JV Wildcats. Many of their games were more than close such as their first preseason game against Springtown. The Wildcats defeated them with a score of 44-43. And then district came. At this game they had to face West. In spite of all their ability, they lost in a double overtime with a score of 65-68. The season ended with a record of 5-13. Even though they did not finish the season as well as expected, in their hearts they knew they were winners.

Everyone has to experience being the new kid in school. But every year at Kennedale High School about 10 to 20 of them arrive. They play freshmen basketball. These freshmen have learned how to play with the big guys. The freshmen basketball team experienced new horizons by playing with the big guys. They learned how to be determined. This helped them when they finally faced Boyd. They beat the Yellow Jackets with a winning score of 50-47. Even though they ended the season with an overall record of 3-16, they never stopped trying. We at KHS hope that next year will be even better for the freshmen basketball team.

The Wildcat Baseball teams were up to bat against some tough competition this year. The Varsity team was led by Seniors David Guzman, Jose Llorca, Brian McKeown, A.J. The J.V. team was composed of Josh Ables, Bubba Black, Jim Burns, Clint Duhan, Chris Eubanks, Cary Goss, Steve Helton, Mike O'Shields, Toby Poore, Travis Parsons, Tate Sellers, Jim Wheeler, and Dave Solis. KHS Track? Just Do It

This year's track team accomplished a number of desirable goals. Even though both groups contained few people, they had a desire and will to succeed. The regional qualifier was Zack Jansen, who won the 3200-meter run and placed second in the 1600-meter run. David Guzman won the pole vault; Michael Tidwell qualified for the pole vault, placing second. Coach York summarized the season by stating: "It was a very unpredictable season." It definitely had its ups and downs, but for all who participated, it was a good season. This was also the first year Kennedale had someone sign a *FULL* scholarship. That extremely fantastic honor went to Jules Partee. The girl's track team had a good season, also. Like the guys, they had to work hard for all the recognition they earned. Stephanie Buyers qualified for regionals in the 3200-meter run and the 1600-meter run. We expect more accomplishments from Stephanie in the future. With Coach Lamberth behind her, there is no doubt she will not disappoint us.

1991 GOLF

Can They Swing It?

The Wildcats had many young teams this year including the '91 tennis team. The team consisted of Freshmen Jody King and Charity Sharp; Sophomores Benjamin Henning, Chris Baumann, Jacque Flynt, and Christy Coleman; and Junior Courtney Barnes. "The Tennis team was very young, but with a little more experience and time, we should do well in the future," said Courtney Barnes. Sophomore Christy Coleman said, "I learned a lot this year playing tennis. I learned dedication and teamwork. I just hope that we can do much better next year." Coach Barnfield, who coached the tennis team this year, was impressed with the Wildcat's improvement this year. "They were a young team and they didn't have the facilities, but they gave 110%." The tennis team is destined to be a success in the years to come.

This year the '91 Wildcat golf team consisted of four Freshmen and one Senior. The players included freshmen Chris Shirley, Jeff Hampton, Jarrod Martin, and Jason Rickard. The only Senior was David Guzman. Coach Barrett was the coach of the Wildcat team this year. Although the Wildcats had only one returning player, they did quite well: They managed to place 4th in district, showing that experience isn't always the best teacher. David Guzman enjoyed golf this year, especially the many long rides with all the Freshmen. David said, "The team this year consisted of a lot of beginners, but it also consisted of a lot of talent. I'm sure that the team will do quite well in the years to come." It's very likely that the golf team will dominate the district next year. Good luck!

PROM NINETEEN NINETY ONE

PROMISES

The Prom. At first it's all so tame ... you're wearing your most “gentlemen and ladylike” attitudes. Everything feels like a dream within a dream; a world where nothing is as it seems. Everyone is so chic, so restless. We play likes there's no tomorrow. It's hard to believe, but after months of saving money, budgeting, wishing and hoping, searching for that perfect dress, the once in a lifetime night has finally arrived. We talked, ate, socialized and danced. A slide show brought back all the memories of this past year, bringing a smile to our faces and a tear to our eyes. We waited patiently for the announcement of the '91 Prom King and Queen. Courtney Barnes and Michael Tidwell were honored as Prince and Princess. Sharing the excitement were Ken Liner and Chelsea Lackey - our 1991 Prom King and Queen.

After the prom, KHS hosted its second annual After-Prom Party at the Maverick Club. Many KHS students turned out to play volleyball, basketball, and casino games. Whatever Prom meant to you, may all the memories you made from dusk to dawn last forever.

(Yeah, it sounds like it was a *huge* success.)

Some were enjoying their first and some were experiencing their last Prom. It was certainly a night to remember.

WHAT NEXT?

As we look back, we have fond memories of Friday pep rallies, football games and Prom: All the special events that are so typical of an American high school have been a part of our existence at KHS. Despite what seemed like an endless year, it's here at last — GRADUATION DAY. Our high school days have ended. What is on the horizon for us now? In other words, what next? According to the senior opinion survey, 71% of us will be attending a college or a technical school within the year. Some plan to enter the work force, some to get married and others to enter the military. Whatever we decide to do, we will never forget the special individuals that made KHS a memorable part of our lives. With diploma in hand, the seniors of '91 are ready for a bright new future that's just around the corner.

As you go forth, you are aware that things will change; life will become more complicated. In most cases you will not see current friends on a day-to-day basis.

The Ex-Student's Association is a place where you can visit school friends at least once a year. This organization was founded in 1953 for the purpose of visiting with old friends and keeping in touch with school activities.

This is an open invitation to join us at the next meeting.

We encourage you to participate and keep this program alive for future generations.

Make plans now with your friends on graduation to meet with them and stay in touch by getting involved in the Ex-Student's Association.

We meet on the first Saturday night in November. Mark your calendar now! You will receive an invitation by mail listing activities, time, and place of events.
